

"FC 04" LIMIT SWITCH

Description: **LIMIT SWITCH**

Casing material:	plastic
Protection degree:	IP65, IEC 529/ EN 60529
Electrical connection:	one cable inlet for PG13.5 cable gland
Operating temperature:	-25°C to +70°C
Storage temperature:	-30°C to +80°C
Applicable standards:	IEC 947-5-1 EN 60947-5-1
Appliance class:	II
Mounting positions:	all position are authorised
Fixing method:	by No 2 M4 screws
Operation head:	adjustable lever with Ø18 nylon roller
Contact:	1NO+1NC Snap action
Approvals:	CE
